Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Monday 21 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Bright with sunny spells.

Today:
It will be dry and bright with some sunny spells. The best of the sunshine expected early and later in the day. Brisk north or northwest winds keeping the coasts cooler. Maximum temperature 18 deg C (64 deg F).

Tonight:
A fine end to the day with much of the cloud fading away, skies often clear overnight. Chilly in some rural parts around dawn as winds fall light. Minimum temperature 4 deg C (39 deg F).

Tuesday:
A dry and bright start with plenty of sunshine. However, cloud will thicken with patchy light rain  developing in the west in the afternoon, becoming more extensive in the evening. Maximum temperature 17 deg C (63 deg F).

Outlook for Wednesday to Friday:
Mostly cloudy with occasional rain and drizzle on Wednesday and Thursday. Rain clearing south on Friday, bright or sunny spells developing.
